BLIND ALLEYS Prophet In Overalls 209

We live and exist in a world full of blind alleys. Different mindsets. Each trying to be in charge.

Joh 8:32 “And you will know the truth, and the truth will set you free.”

Eventually, we come to a conclusion. There is truth that overrides our agenda.

Proof is offered by a supreme being. He created the physical and spiritual universe. God of creation made mankind in His image. God provided a set of instructions we call the Bible.

Our activities can fulfill His glorious plan of salvation.

In His infinite wisdom He allows mankind free will.

We can choose to honor His authority. We can and choose to be in agreement with His magnificent gift. Choose eternity in His Presence.

OR

We can take the direction to be in charge of our life. This mind set has no lasting impact except blind alleys.

Turmoil and impact by others, sway us with emotion and arguments. Trying, by years of experience, to force us into tacit agreement. Blind alleys of sin.

WORLD MINDSET

You could have a gold nose and a band of angels praising you. Mankind will criticize you anyway.

The driving demonic force behind a majority of sin. The love of Mammon. This sin controls your decision when this mindset is your driving force.

Political mindsets are one of population control. Wherein you are their chattel, anything they do is to maintain their control. Their personal benefit. Against the freedom of God.

ANSWER

God's purpose for mankind has victory on a continual basis.

Make your choice in obedience to His Word. Eternal victory in the Trinity God head.

Remember, He sent His Son, to pay for your original sin.

He knew you before you were born. The gift you accepted, you didn't earn. By acceptance and obedience to the Word, you mature in understanding. Fulfill the destiny for your life.

Works are done because you honor God's gift of eternal salvation.

Rest in His providence and mercy.
