A VOICE CRYING IN THE WILDERNESS "REPENT" Prophet In Overalls 210

Rev 12:11 Our brothers conquered him by the blood of the lamb and by the word of their testimony, for they did not cling to their lives even in the face of death.

It is not what you say, it is what you do that determines your destiny.

Three influences will determine your destiny.

1. Judeo Christian
2. Political (Saul Alinsky Version)
3. Alternate / Self Religions

You control your destiny by your choices. Whether overt or covert . What you react to is what you become.

Only one choice allows you free will (#1)

(#2 & #3)

Today, the major force in manipulating the population mindset is #2 and #3.

Control by manipulation, perversion of truth ,or shear physical (overwhelming). Swaying your destiny.

The political environment has morphed into demonic hypocrisy. Impacted by the elitism of self grandisment. The Alinsky mythology uses chaos, lying and perverting of the truth to manipulate .

Without spiritual discernment people are easily coerced. Repetition changes their mind without their permission. This mind control was used effectively by Hitler's politic bureau.

(It almost succeeded in the third Reich control civilization). America spearheaded, under God's direction, the dissolution of the menace of fascism.

The influence on the political groupies, is using money. Their scheme overrides God's authority.

Confusion and elitism is the foundation. Using the God of self as the yardstick of authority. Eventually they change there tune to a different attack. Never repenting. Only attacking with childish ambition. Becoming the main party platform of one of the major political parties. The alternate political party cowers and reacts by fear. It becomes neutered into acquiescence

The Church is forfeiting its mandate. It's no different in its love of mammon.

Saying, by their ministry, the tithe is the manner to gain more money. Feeding the needy is mandated by God's Word.

The "Church" has become as the world.

Watching the five fold ministry for years. It's shown a repeat of the acquiesce to apostasy. At the start of ministry , people are struggling and remain in covenant with Elohim. Eventually their efforts go off track and they veer into sin. Losing their zeal for their destiny. Flaying about without rhyme or reason. No without direction or victory.

Mammon is a heartless task master. Promises made while struggling are forgotten,.No concern and forgiveness of sin is lost. Lying or denial is practiced.
